Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Friday 21 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Windy with showers or longer spells of rain.

Today:
A cloudy day with showers or some longer spells of rain, these heavy and possibly thundery at times. Windy for much of the day, but tending to ease a little towards evening. Maximum temperature 13 deg C (55 deg F).

Tonight:
Staying cloudy with further rain at times, but this increasingly confined to eastern parts by Saturday morning. Staying windy across the Lincolnshire coast, but winds tending to ease further west. Minimum temperature 6 deg C (43 deg F).

Saturday:
Another rather cloudy day with a few mainly light showers, but some brighter spells developing in the afternoon, especially in the west. Windy in coastal areas during the morning. Maximum temperature 12 deg C (54 deg F).

Outlook for Sunday to Tuesday:
Showers developing on Sunday, with more persistent and heavier rain later. Bright or sunny intervals and locally heavy showers on Monday, and a few showers on Tuesday. Feeling cool throughout.
